In Dedication to Ms. Ann Lathrop

Wishing you all the best. May God continue to shine through upon you and yours. We'll miss you!
-Kelly Robertson

There are so many wonderful folks here at Bay High that I like to work with and many that I even love to work with, but you are simply one that stands out. You welcomed me to Bay High in the middle of a transition and long after school had already started. You made me feel a part of the team. I appreciate your assistance in showing me many ropes here, and for being a mentor. You were always there to guide me and encourage me, too. I always told you that you were not allowed to leave so long as myself or my daughter were here. So much for listening to me! I understand your need to ignore me though, and step-up to the plate for a greater role. You have set a wonderful example for many in showing grace, love, and care for others. I am truly blessed to have had the opportunity to work with you. Thank you for everything.
-Jane Anderson

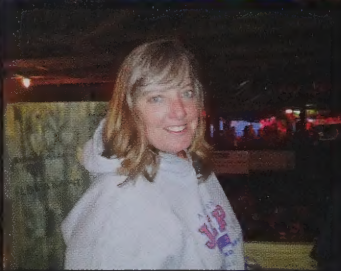

Ann Lathrop represents Bay High and everything that we want to be known as. She is loyal, dedicated, has a great sense of humor, lights up the room with her smile and continued positive attitude, is trustworthy, diligent, conscientious, and so much more. She is, and will continue to be, missed here. We love her dearly and always will.
-Amy Coyne

Life at BHS will not be the same without you Peaches. We miss you already. From dog food drives to aquarium field trips to the Harry Potter Orchestra at graduation, I am not sure what we are going to do without you. Enjoy your retirement; sleep late, spoil your child, and have some fun in Santa's Sleigh! You have earned it.
-Thomas Woodward

I have had the opportunity to sit in your class as a student and work alongside you as a colleague. I look up to you and the higher standard that you always hold for yourself and others. I will always cherish the memories from high school and Bay High, especially Biology. I hope all your dreams for your future come true.
-Megan Corr Monti

Can't tell you how much you'll be missed by everyone! Since the first day I started working here Ann you have always been a person I could count on for everything - no matter what it was. I am going to miss your humor (especially when things are tough), your "We can DO IT" attitude, and ALL of our puppy stories.
-Michelle Henry

You will never know how much I miss seeing you everyday. But I am so grateful for the time I got to work with you; especially the times we laughed and cried together. You are such a special person and I am so glad I can call you my friend.
-Paula Bilbo

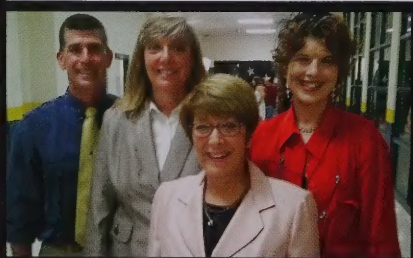

I cannot fully express my gratitude for all you did. It was truly a pleasure to have you as a mentor. You made the difference.
-Katherine Nielson

It won't be the same around here without you! Thanks for all of the great memories!! We will miss you!!
-Liz Bosarge

Bay High will never be the same without you, Alice! Always Remember...You Are the Best of All of Us.
-Dottie Sjostrom

I can remember walking into Ms. Lathrop's class in 7th grade so many years ago. It was her first year teaching, and I thought it would be a piece of cake, but she pushed me like no other. From that moment on she was an inspiration, a mentor, and a mother to me. After all of these years together I don't think I have ever had a greater cheerleader in my life. Thank you for believing in me.
-Kellie Z. Smith

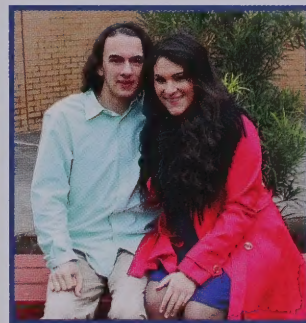

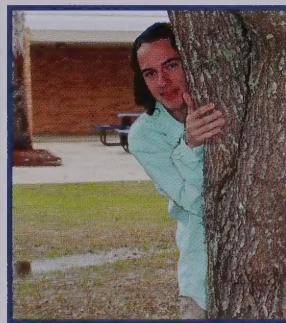

Ann Lathrop is that rare and very special type of person that not only creates a positive and everlasting impact in your own life, but makes you self-reflect on how you can begin impacting others around you.
-Josh Garcia

Mr. Bay High

Austin James Calhoun

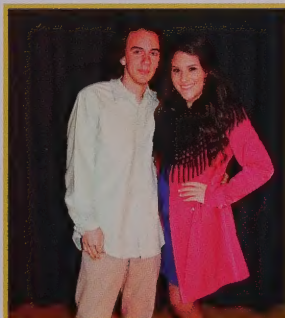

"Being Mr. Bay High is such an honor. To know that my peers thought of me as a delegate for the class of 2015 is truly humbling. Mr. Bay High means that I represent the spirit and originality of the senior class. I am beyond grateful for this admiration and title."

Ms. Bay High

Cassidy Marie Compretta

"I think being Ms. Bay High is one of the biggest honors a person can receive to represent their highschool. There's not many schools where you know every person on a personal level, but I'm truly blessed to say that I do, and I'm just truly honored that my senior class chose me."

Senior Picks

The seniors had a choice of what they wanted to represent their class. Their choices are below.

Class Flower

The Magnolia flower represents nobility, perseverance, and dignity.

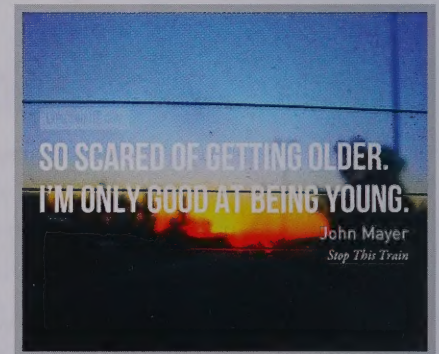

Class Motto

"Veni, Vidi, Vici." is a latin phrase which translates to "I came, I saw, I conquered."

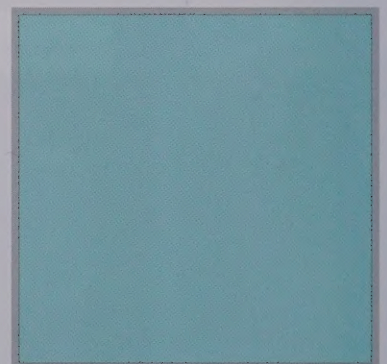

Class Song

The song "Stop This Train" by John Mayer is a methaphor for growing older. The song explains how we wish time would slow down.

Class Color

Tiffany Blue is a color that has come to represent exclusivity. This color evokes strong, positive emotions.

SENIORS

"I challenge each of you to be fierce, stand tall, be strong, confident, determined, excited, happy, loving and to show the world the champions within you. You are each talented and amazing in your own ways. I am thankful for the time that I have been able to spend with you as I watch you grow daily into remarkable and outstanding young people who I know will bring so much success to yourselves and to this community. I am proud and blessed to have the time that we've had together. You each leave gifts and lasting effects that will ever be etched in our memories which put a smile on my face and in my heart".

One Student at a Time!!!!

Teachers

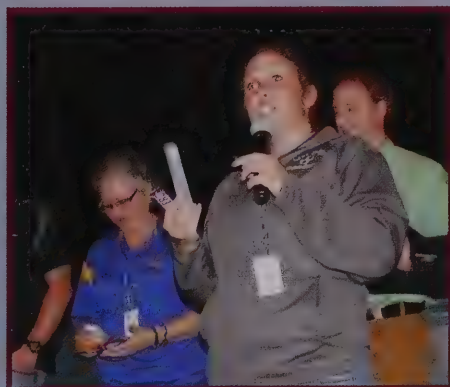

Teacher of the Year

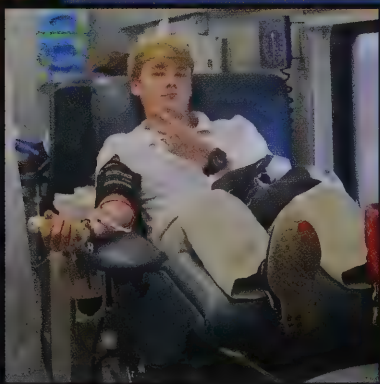

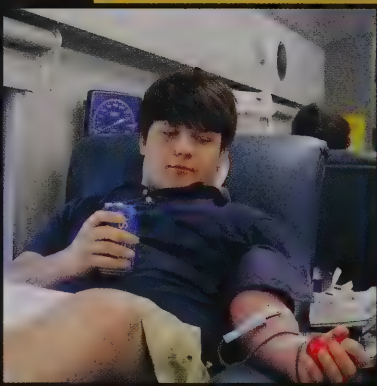

Renee Hamm

Although she graduated from both high school and college in Virginia, Renee Hamm is proud to have called Bay St. Louis home for her whole life, as this is where her family roots begin. Teaching is a true passion for her, and she loves to see the growth and excitement in her students when they realize they are truly open-minded, critical thinkers and as they gain greater confidence as expressive writers.

I am humbled by my selection as Bay High's Teacher of the Year. I feel both fortunate and blessed to have the privilege of educating an amazing group of young adults. It is also a blessing to be able to have a career in an area that I love and that I have the opportunity to work alongside a wonderfully gifted group of educators. Thank you, everyone, for the honor of representing Bay High School.

Trunk-or-Treat

Trunk-or-Treat is put on by Student Council every year for the kids in our community. This is a fun time for each class and for clubs to come out and support the community. The kids that come really enjoy themselves!

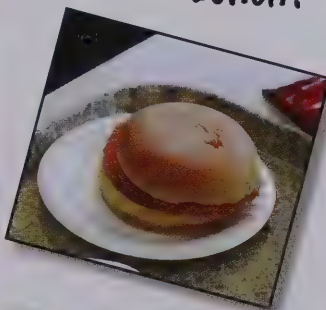

Mix It Up!

At Lunch!

Mix-It-Up @ Lunch is a nationwide day of celebrating diversity. Mix-It-Up teaches students the importance of accepting others for their differences. By sitting at lunch with someone they don't normally sit with, it gives students the opportunity to get to know others and experience new ideas and points of view. Mix-It-Up @ Lunch is a fun day of getting to know the people you are surrounded by every day.

HERE WE STAND

YOU'VE gotta wake up every morning and ask yourself, "How bad do you want it?"

How much work are you willing to put forth for the things and people you want and need in your life? Nothing great comes without effort. But I promise you that if it's something of great meaning in your HEART and something you need in your life.....every risk, EVERY STEP AND EVERY DROP OF SWEAT WILL BE WORTH IT!!!

CLASS OF 2015

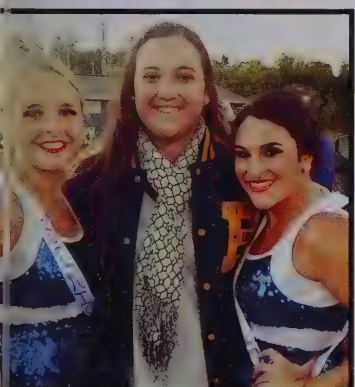

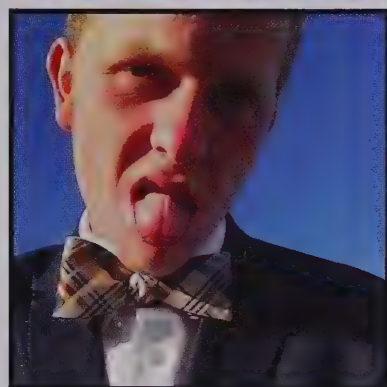

Graduation-
It's finally here,
The end of our last year;
Twelve years of schooling,
It all seems so clear.
We're closing this chapter
With memories of the past.
We all think to ourselves,
"Dang, it sure went by so fast!"

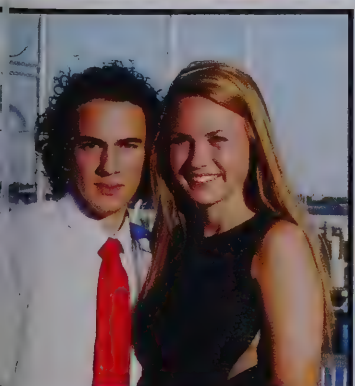

From puberty to driving
And trying new things,
We've had long nights of homework
And short summer flings.
Heartbreaks and lessons learned,
We've all had our share,
And experienced those young feelings,
So memorable, so rare.

From facing peer pressure,
And discovering who we are,
Since that nervous first day,
We sure have come so far.
Our whole lives ahead of us,
different paths we will take,
Never forgetting the memories of high school
While looking forward to the ones we will make.
We'll face failure and success,
Be forced to be adults,
We'll step blindly into the world,
Unsure of the results.

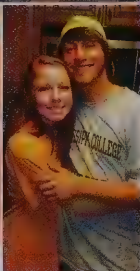

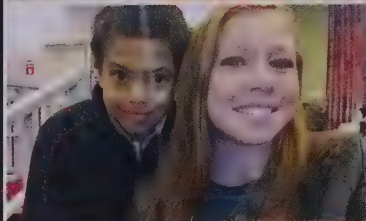

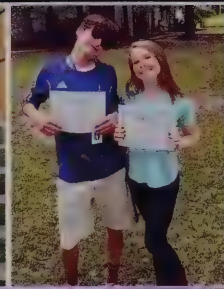

From the home of the blue and the gold,
To the next home we may endure,
No matter what is said,
There is one thing for sure,
We'll always have a little Bay High in our hearts!
We may be leaving what we know
But remember this is only the start.

On May 22,
We'll be together for the very last time.
We will have finally reached the top
of our endless and exciting climb.

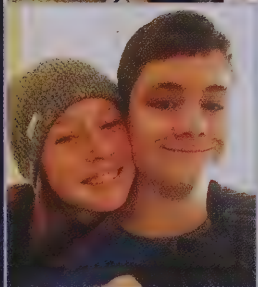

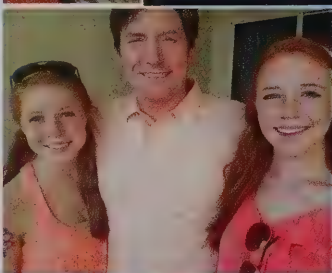

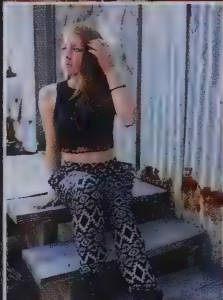

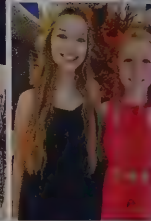

Good Luck to all
Class of 2015
I've cherished every moment
The good, the bad, and everything in between.

I always hoped my daughter would be smart, beautiful, and witty. Someone who would think for herself. A leader not a follower. You all of these things and more. I'm saddened by how fast you've gone from a sweet little girl to a beautiful young woman, but excited to see what the future will hold for you. I know you will succeed in doing great things. You are truly my greatest accomplishment. I am proud to be your mom. I love you infinity.

Editor's Note

*I am honored to have
attended Bay High from 2011 to 2015.*

*We have made so many memories
that I am sure we will cherish in the future.*

*The class of 2015 has definitely left its mark
on Bay High. We have worked extremely hard on this
yearbook, and we really hope you enjoy it.*

This yearbook is important to me, and

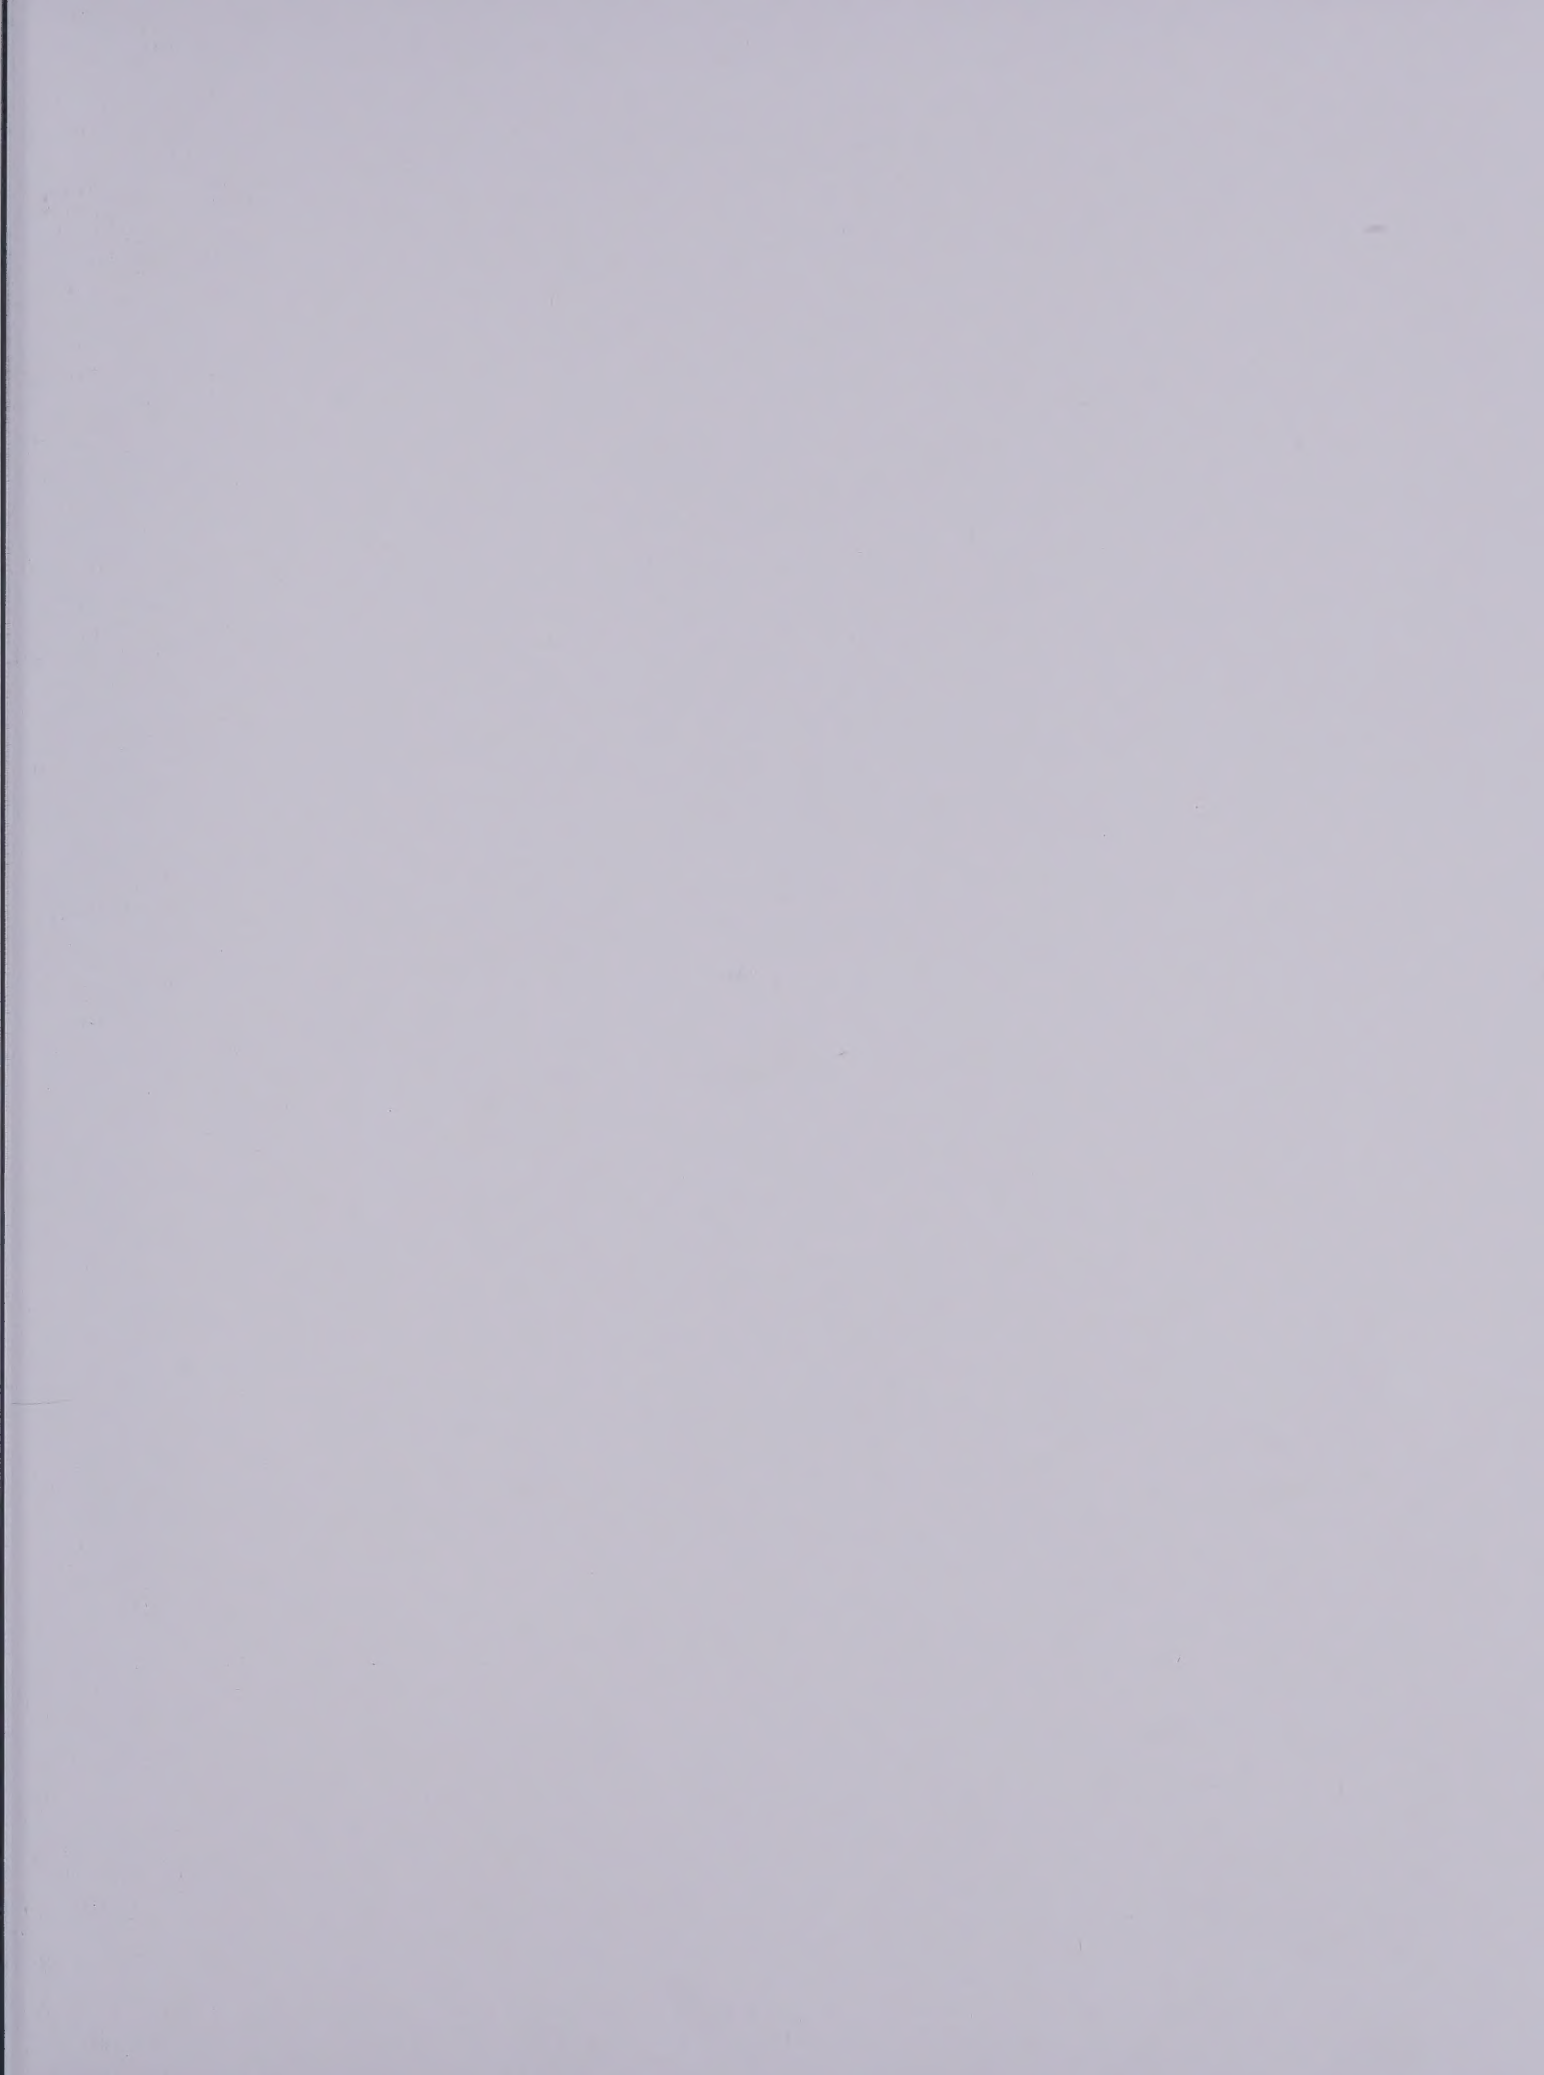

I am proud to have been

Editor in Chief.
